EDITORIAL

There Are Two Kinds of People — Which Kind Are You?

(Reprinted from This Week Magazine)  
ROGER HULL

President, Mutual of New York  
Have you ever asked yourself this question: If every citizen performed just as you do, where would the country be? What if every fellow worked at his job the way you work, showed the same interest, the same diligence, the same faithfulness, the same skill and discipline? What would happen to the country?  
Someone has aptly said that there are really two kinds of people: those who are part of the problem, and those who are part of the solution.  
Do you think only in terms of yourself — how much you can make, what you can get out of

life? Those who think that way are definitely part of the problem.  
Or are you concerned with the contribution you can make — how much you can give, how much you can put in? People like that are part of the answer.  
Some people treat life like a slot machine, trying to put in as little as possible, and always hoping to hit the jackpot. But I believe that people are wiser, happier and have more inner peace when they think of life as a solir, intelligent investment from which they receive in terms of what they put in. And by so doing they help preserve our free society.

Stranger Than Fiction

"What would you do if you knew your son was carrying one of these around?"  
With this question my inquirer produced a Bowie type hunting knife from his brief case that would have made Colonel James Bowie disclaim any association with the instrument. As for myself, I wouldn't have been more startled if confronted by a Sikh with glittering cutlass.  
He continued:  
"This was found hidden on the person of a young lad here over the week-end. Another one carries a similar weapon up his sleeve in a sheath strapped to his wrist."  
As if in rebuttal to my though that my youngster wouldn't pull such an idiot stunt, he observed — "The amazing thing about all this is parents either don't know or are afraid to admit that their children have these weapons. If

they would only realize that carrying a concealed weapon is a serious offence and could have pathetic consequences!"  
He then proceeded to relate recent incidents where one group of boys were throwing knives at the feet of another child much younger than themselves at knife point.  
All in fun? Some of our most tragic headlines started in fun. — Pointing an "unloaded gun". — Throwing a "playful" rock, — or slashing with a knife — "in fun".  
We'll grant your boy "wouldn't do such a thing", but just as a precaution, — lets make sure!  
The bus driver charged the lady full fare for ser son. He had on long pants. At the next corner a small boy only paid half-fare. He had on short pants. Then a college girl got on and didn't pay anything. She had a transfer.

Remembrance Day 1961

Time, we are fond of saying, is a great healer. The anguished tears of yesterday become the gentle sorrow of tomorrow. The sharp etching of the sands of memory is gradually erased by the quiet lapping of the waves of forgetfulness. He is fortunate who can forget the past in all its bitterness. He is more fortunate who can remember the past without bitterness — and use its lessons for the present.  
Today we stand on the threshold of a great nuclear war which may test whether this nation, or any nation, can long endure. And, so standing, we are called to remember the error,, the pain, the destruction of war — the terrible fallibility of man incapable of guiding his own destiny. More than ever, the individual and the nations are confronted with the only alternative — a return to God. "Go out and put your hand into the hand of God: That shall be for you better than light and safer than any known way."  
THE PADRE

The Policeman

If he is neat, he is conceited; if he's careless, he's a bum; if he's pleasant, he's a flirt; if he's brief, he's a grouch; if he hurries, he overlooks things; if he takes his time, he's lazy; if you get pinched, he had it in for you; if he's energetic, he's trying to make a record; if he's deliberate, he's too slow to catch a cold; if you strike him, he's a coward; if he strikes you back, he's a bully; if he utwits you, he's a sneak; if you see him first, he's a bone-head; if he makes a good catch, he's lucky; if he misses it, he's a simp, if he gets promoted, he's got pull, and if he doesn't — Oh, well, what's the use.

Now Hear This

The Regular Army in Edmonton recently issued its twice-yearly warning to the public on the danger of handling suspicious objects that might be explosives or ammunition.  
Each year takes its toll — in many cases children — of persons who pick up unexploded ammunition in military training areas, attics, old buildings and similar spots.  
Capt. Bruce Davidson, Western Command's ordnance ammunition expert at Griesbach Barracks, emphasized that if anyone had ammunition souvenirs, they would be checked and returned to the owner if safe. "We don't want to confiscate anything that is harmless," he said.  
Persons who find what they may think is unexploded ammunition or explosives, should at once notify either municipal police or RCMP who arrange with the Army for a check on the objects.  
It was pointed out that just because a shell or bullet appeared to be very old, it did not mean it was harmless.

# RECEIVED QUEEN SCOUT

Two Scouts of Bill Harper's "A" Troop have recently reached that high plateau of Scouting "QUEEN SCOUT." Our hearty congratulations to Bill Jowett, who got his badge some time ago, and to Boyd Van Aggelen who received his award in October.

Bill has been a member of the Boy Scouts for eight years, has attended school in Kingston, Moose Jaw, Camp Borden and Winnipeg and is currently in Grade 9 here. He wears the Pathfinder Badge,

collects stamps and likes football and baseball.

Boyd is fifteen and in Grade 10. A football and hockey enthusiast as well as a philatelist. He wears the Religion and Life Award — confirmed in the Anglican faith — and the Bronze Arrowhead. Boyd has the distinction of being a "Fifty Miler," an honor awarded to members of his troop when they were the first Canadian Boy Scout Troop to complete the special 50-mile hike at Philmont, New

Mexico.

These two boys are a credit to the Scout movement and a testimonial to the devoted leadership of Sgt. Harper. Our best regards to all three.

From left are: Capt. C. H. Van Aggelen; Sgt. W. Jowett; Bill Jowett; Capt. L. A. P. Gemmill, Group chairman of the 1st Griesbach Scout Group; Boyd Van Aggelen and Sgt. W. F. Harper, Scoutmaster of "A" Troop, 1st Griesbach Scout Group. (Wescom P.R. Photo)

## Attend Commemoration

SOEST, Germany. — To commemorate their founder and long time honorary colonel, the late Brigadier A. Hamilton Gault and fallen comrades, veteran and serving members of the Princess Patricia's Canadian Light Infantry gathered at Ypres, Belgium, during August.

A plaque honouring Brigadier Gault and the Canadians who died during the First and Second World Wars was unveiled at St. George's Chapel by Brigadier Cameron B. Ware of London, Ont., commander of Canada's NATO Brigade in Germany and honorary colonel of the PPCLI.

Lady Patricia Ramsay, Colonel-in-Chief, for whom the Regiment was named when it was raised in 1914, attended the ceremonies.

The memorial ceremony, held on October 19th, and sponsored by the United Kingdom Branch of the PPCLI Association, was attended by regimental veterans from England along with the commanding officers and regimental sergeant-majors of both PPCLI battalions and the regimental depot from Canada.

In addition to the plaque unveiled by Lady Patricia in the presence of Mrs. Gault and Brig. Ware, the program included tours of battlefields where the regiment fought during the First World War,

a civic reception in Ypres, sounding of the Last Post by PPCLI regimental buglers, at Menin Gate, and the annual dinner of the United Kingdom Branch of the Association to which Canadian members were invited.

Distinguished guests included Admiral Sir Alexander Ramsay, husband of Lady Patricia; Colonel The Honourable George Drew, Canadian High Commissioner to the United Kingdom, and Mrs. Drew and Major Egan Chambers, Parliamentary Secretary to the Minister of National Defence and a former member of the regiment.

Colonel T. DeFaye, Director of Administration, Army Headquarters, Ottawa and Colonel N. G. Wilson-Smith, exchange officer with the British Army in Germany, both former regimental officers with the PPCLI, were among the guests.

Serving members of the PPCLI from Canada who attended were Lt.-Col. R. F. Bruce and Lt.-Col. C. J. A. Hamilton, commanding officers of the First and Second Battalions, stationed at Victoria and Edmonton, respectively.

Major D. O. R. Kearns, officer commanding the Regimental Depot at Edmonton, was invited together with Regimental Sergeant-Majors A. J. Rudd, 1st Battalion; J. G. Austin, 2nd Battalion; R. H. Appleton, Regimental Depot and Drum

## Will Tape Christmas Greetings for Overseas

As a preliminary to taping Christmas greetings by dependents in Edmonton whose husbands and fathers are serving in the Congo or Egypt, next-of-kin are requested to advise Major EC Luxton, Command public relations officer, at GR 9-8411, Local 203, if they are interested in making recordings by themselves and their children.

The tapes are recorded here and forwarded to units overseas. Time and date of recording will be notified later.

This also applies to mothers or fathers of single personnel serving in Germany.

A problem exists in that there may well be next-of-kin residing in Edmonton for which no records are available at Command Headquarters. Readers of the Bugle are asked to spread the word if they know of any such persons.

Major F. H. Harris and Private W. N. Gow, the regimental buglers.

## WARNING SIRENS GO UP

Typical of the Army's sirens now being constructed in Alberta is this one at 114th Avenue and 156th Street, in Jasper Place, Edmonton. Designed to warn the public in the event of a nuclear attack, the siren is part of the nuclear attack warning system that covers Canada. Sirens are being installed at Edmonton, Calgary, Red Deer, Lethbridge, Medicine Hat, Cochrane and Okotoks. (Wescom P.R. Photo)

Attend Frezenberg Dedication

On 12 Oct. 61 a group of Patri-cias consisting of the Commanding Officers and Regimental Sergeant Majors of 1 PPCLI, 2 PPCLI and PPCLI Depot departed RCAF Station Namao for a tour of the First War battlefields of France and Belgium. Also included in the party was Maj. R. B. Mainprize, CD; until recently CO, PPCLI Depot and now Garrison Adjutant of Esqui-malt Carrison in Victoria, B.C.

Among places to be visited are Mons, Cambrai, Courcellette, the Frise and Parvillers areas, Amiens, Ypres, Hooge, Sanctuary Wood, Freezenberg and Passchendaele.

Also to be visited are the PPCLI Cemeteries at Voormozele, Vier-straele, Kemmel, St. Eloi and Zille-beke.

A dedication ceremony attended by the Colonel-in-Chief of the Re-giment, the Lady Patricia Ramsay will be held in Ypres on 19. Oct. 61. The ceremony will consist of unveiling a plaque honouring the 1200 Patricias who lost their lives in World War I. Following the unveiling ceremony, two buglers from the Regiment, will play the "Last Post" at the Menin Gate.

PPCLI DEPOT

The recent announcement by the government regarding an increase of personnel in the Canadian Ar-mey has made an impact on the Regimental Depot. Seven recruit platoons are now undergoing training; one is ready to com-mence very shortly and there is no sign of a lessening of pace. As a result once again training space and accommodation are at a pre-mium.

Mrs. Joan Baltimore departed from our Orderly Room on 13. Oct. 61. Joan has been with the Depot since Feb. 60. As a token of our appreciation for all her good work, she was presented with a jewelry box by the adjutant, Capt. DS Robertson on behalf of the staff.

recruits we are crying for help and welcome the addition; Miss Lillian Litzenberger who has come to assist us over the period, and Miss Cheryl Fisher who is Mrs. Bal-timore's replacement in the steno-graphic department.

A particular addition is extend-ed to three platoon staffs from 1 PPCLI headed by Lts RM MacIn-tosh, TA Bradley and LJ Gollner.

Lt VP Rithaler, formerly 1 PP-CLI, has assumed the Assistant Chief Instructor's vacancy and moved his family onto PMQs but as yet is still muttering about leav-ing the coast.

13 COY SCASC

A successful farewell party was held recently for Cpls Foley and

McCafferty of the Mechanical Transport who have been posted. Cpl Foley to No. 9 Transport Coy RCASC Ottawa to resume driving duties for Lt General G. Walsh, Chief of the General Staff. Cpl McCafferty is on his way to see how the other half of the world lives, specifically UNEF ME Egypt.

New arrivals to the Coy since the last issue of the Bugle are 2Lts Baxter and Stuart. 2Lt Baxter is presently covering off the ap-pointments of Administration Of-ficer and Transport Officer, while 2Lt Stuart has been appointed OIC RCASC Bulk Supply Depot.

Pte Milot has been posted to this unit from Ottawa as the GOC's driver.

Pte. Holoday is back after suc-cessfully completing Basic Corps Training at the RCASC School and has taken down the PPCLI flashes and is now wearing RCASC in-signia.

Curlers of tse unit and those that aspire to become curlers are chaffing at the bit waiting to get that first rock away.

## 2 P.P.C.L.I. 224 Workshop R.C.M.E.

### GENERAL NEWS

The 2nd battalion is still keeping a hand in Survival Ops as a few interested spectators on the 27 October noticed. An exercise in re-entry was held with "live casualties" provided in the north end of the PMQs by PPCLI Depot.

A Bingo - Dance was held at the Drill Hall on the third of November. Prizes included a cash prize and a transistor radio. Everyone enjoyed themselves, and the profits went to the Battalion Fund which is used for the battalion recreational and other expenses.

As a break in normal routine some one hundred soldiers from C Coy and A Coy acted as casualties and stretcher bearers in a Civilian Civil Defence exercise at Misericordia Hospital on 25 October. We understand the casualties have the best time at this business.

### OFFICERS' MESS NEWS

A Mess dinner was held on the 7 November to welcome the new GOC. It was the first good "stag" party for the mess members held this fall.

Lt. K. D. Lidgren will be married on the 18th November. The best wishes of all members go out to him and his bride-to-be.

### SERGEANTS' MESS NEWS

With fall training in full swing many of the mess members are away on courses or instructing. Some new members have been welcomed into the mess in the past month, Sgt Cummins, Sgt Udell, Sgt Makarenko and B/Sgt Morey. Another new face is L/Sgt Wardell of first battalion who is here for a short tour with the depot. The Saturday Bingos are well attended this year again and we always welcome new faces.

### CORPORALS' MESS NEWS

The entire mess was saddened by the tragic accident in which L/Cpl Davies lost his life and those with him were so badly injured.

The mess held the Annual Hard Time's Dance on 27 October. Many sorry looking specimens managed to turn up from "Skid Row" Griesbach and they all had a merry time.

The moment of truth for many of our ardent nimrods has arrived. Last Saturday our safari team No. 1, heavily laden with an assortment of paraphenelia and comprised of S/Sgt. Walker, Sergeant Nelles, Cpl. Wuychuk and Cfn. Keck, headed to a secret destination in Alberta's great outdoors. We understand that the team is now deployed and eager to deplete some of Alberta's choice wild game. Our duck hunters have not, as in past, reported much success. Of course, we are unable to verify this rumour; but it is noticeable that some airlines have instructed their aircraft to seek higher altitudes — apparently anything that is winged is now fair game. It appears even the sex of birdgame is causing some confusion to our Jimmy No. 1.

The flow of transferees from 2 PPCLI continues, and our workshop wag was heard to remark "4 PPCLI fall in to the left of 224 WKSP." We welcome Cpl. Hardwick, L/Cpls. Raven and Winkel, and Ptes. Hildebrand, Croker and Jordan. We trust their assessment will be successful and transfer to the RCME will be achieved. Two ex PPCLI personnel recently transferred from the battalion — Cfn Hay and Dyck head east to our Alma Mater at Barriefield Ontario, for Corps Training and a Vehicle Mechanic Group 1 course — good luck to Hay and Dyck, and congratulations to the former, his ears are still resounding to the happy chimes of wedding bells.

Mrs. Bunny Kearn bids farewell to the shop and we trust that the pressing reason will result in a bouncing baby boy. Two new members recently joined the staff of 224 Workshop, and we extend a warm welcome to Mrs. M. Randolph and Miss L. Hendel — we hope their association with our unit will be a happy one. We also welcome aboard Cfn Beatty from 215 Workshop Calgary.

Cpl Cunningham is completing his Clk Adm Gp 3 Course at Camp Borden — latest information received is that good progress is being made.

The important phases of annual refresher training are now completed, and all enjoyed the impromptu course at Winterburn Range Arctic indoctrination.

Crown counsel in Toronto recommended that a boy of 16, convicted of robbing four messenger boys, should be spanked on the city hall steps. This punishment, he said, he considered fit and proper, because the boy evidently thought himself a hero, and this would be one way to dispel so foolish a notion. . . . Most criminals, young and old, think of themselves as a sort of hero,

## PHILATELISTS CORNER

By now most philatelists will have secured mint and used copies (as well as FDCs) of Canada's latest stamp, the 5c Resources for Tomorrow. This postage stamp design symbolizes man's multiple use of the country's renewable natural resources.

"Canada is a vast land, endowed with tremendous natural resources and blessed with abundant lakes, rivers, forest and agricultural lands and wildlife.

"Canada's renewable resources, the resources of our forests, our water supplies, our agricultural lands, our fisheries and our wildlife, can, if used wisely, serve this nation far into the future. To ensure this future, planning now is required.

"An extensive programme is being organized to promote the co-ordination of federal and provincial policies on the utilization of resources along with the recreational and regional development aspects of their management. A "Resources for Tomorrow" Conference will be held in Montreal from October 23rd to 28th."

### More Tips for Beginners

As I pointed out last month, dad has found his son or daughter was developing a keener interest in stamp collecting, and, as a result needed a new album. Well, let's assume the album somehow appeared. Generally a new collector starts off by buying a few packets of stamps from various countries which issue stamps having an eye appeal, (the bigger and more colourful the better) and if the packet contains a triangle or diamond shaped variety, that one is given a "special" niche in the album.

As a tip to a new collector, seasoned philatelists suggest, after the initial world-wide packet buying, the first two or three variety packets will provide the beginner with stamps from a number of countries. However, as interest in philately grows (and this is the opinion of most collectors) it becomes impossible to collect even the new issues of all countries. Therefore in order to compile a worthwhile collection it is better to concentrate on a few countries, and to exert the greatest effort to one's own country, and possibly (for diversification) one other country of your choice. The stamps of the other countries that you obtained in your packets now may be used for "traders" for stamps you want for your collection.

### New Issues Expected (November)

United Nations — 4c and 11c  
Economic Commission for Latin America.

United States — 4c Nursing Profession; 4c Basketball.

### Club Membership

The response to the notice in last month's Bugle concerning the organization of a stamp club in Griesbach Area has met with some success. As soon as we receive a few more names to add to the ten seniors and seven juniors already enrolled, an organizational meeting will be held. A telephone call to Capt. Shymko or WO2 Schoonover (Local 206) is all that is necessary and your name will be placed on the list for notification of date, time and place of the first meeting.

Foley competed with 15 top Army drivers from Western Canada.

## Ladies' Bingo

The first of the monthly Ladies' Bingo games was held on Wednesday, October 4th. Slightly miserable weather, combined with publicity that falls into the category of "too little and too late," resulted in a disappointing turnout. We are, however, looking forward to a larger attendance at the next game scheduled for Wednesday, November 1st.

For the benefit of those ladies who have recently arrived, a run-down on what it is all about might help.

The Ladies' Bingo is held in the auditorium of No. 1 Griesbach School at 8:00 p.m. on the first Wednesday of each month. It is sponsored by the Griesbach Association and profits go toward assisting such community activities as Scous, Cubs, Girl Guides and Brownies; boys' hockey and baseball teams; provision of playground facilities for the kiddies; etc.

This is an excellent opportunity for the ladies to enjoy a profitable evening's entertainment and at the same time support the community.

## A MESSAGE for SCOUTS TEEN TOPICS

### Let's Not Wait For A Hurricane

One of the outstanding characteristics of the Scout movement, ranking equally in the minds of the public with the distinctive uniform and the creed of public service, is the daily Good Turn. People who know nothing else about Scouting know that Scouts are sworn to do a good deed every day. A great deal of the public acceptance and support of the movement can be attributed to this Christian ideal. It is one of the best known precepts of the organization.

Do Scouts actually do good deeds? We have often asked in the Scout Quiz: "What good turns can a Scout do?" The hesitant answer about helping old ladies across the street or finding lost children indicates clearly that good deeds are not a common occurrence.

Ask any Scout, as we save often done: "What good deed have you done today?" "I made my bed" or "I washed the dishes" or "I put the garbage out" are common answers. Now these are certainly not bad deeds, but they are not the sort of good deed that Lord Baden Powell had in mind when he wrote the Scout Promise.

We would remind Scouts (and Scouters) that it is up to us to go out and look for good turns to do. We saw an article recently that praised the Scouts for the good job they did in Toronto during Hurricane Hazel. We were very pleased to hear that they had pitched in and helped and we are sure that our Scouts here in Edmonton would do equally well, but — LET'S NOT WAIT FOR A HURRICANE. Let us do our daily good deed now.

### Christmas Cards and Wrapping Paper

The Scouts and Cubs canvassed the Camp area the week ending October 20th, selling Christmas Cards and Christmas wrapping paper. These are good quality and well worth the price and in addition your purchase enables the boys to earn some money to finance Scouting operations. You do yourself and the Scouts a favor when you buy these products.

There are cards at 25 for \$1.00, and 18 for \$1.00.

If you were missed on the sale or would like additional cards, please contact the Garrison Sgt. Major, WO1 R. Jackson at Local 353 or Phone 479-7366.

### Registration Cubs and Scouts

Registration for both Cubs and Scouts should have been completed in the Griesbach area by now. If your son has not registered, please have him do so as soon as possible.

The registration fee is:

SCOUTS .....	\$1.75
CUBS .....	\$1.25

This fee covers the cost of insurance for the boy while he is engaged on authorized Scout projects and the membership fee which goes to assist in the operation of Scout Headquarters.

### Gilbert Beaudry "E" Pack

Sorry to hear about the broken nose, Gilbert. We hope your stay in hospital was not too long and painful. Don't let it prevent your coming back and enjoying yourself at Cubs.

### WELCOME

A special welcome to Mrs. Lena Kinsman who is the first Lady A/Cubmaster in the Griesbach area. Mrs. Kinsman has previously worked with Brownies and Guides and is now taking a course on Cubbing at a local Headquarters. Thank you for being a trail blazer, Mrs. Kinsman.

### "D" CUB PACK

The "D" Pack welcomes Mrs. Kinsman and Alan Cheralley as A/Cubmasters and congratulates Brian Green on his Investiture. Good luck and good hunting to Jimmy Daines, Richard Ceasar, Larry Sales and Jack Gilday who recently went up to Scouts. Our best wishes to Lorne Smith, Ricky Ryall and Gene Pilote on their promotions to Second and also to Richard Ceasar and Jim Covey on their three year stars.

Ad of a Washington theatre featuring a mystery picture:

Please don't give away this picture's ending. It's the only one we have."

October 6th saw a busy night for the Griesbach Teens as Bill Lee came from CJCA to give a Platter Party. Before the dancing started however, it was decided to hold elections for the new Teen Executive for 1961-62. The results were:

President — Jim Salmond  
Vice-President — Lynne Eberts  
Secretary — Joan Godsell  
Treasurer — Vicki Pasch  
Social Convener — Bob Patterson  
Publicity Manager — Doug Arril

Following this, the Teen Curling Executive was elected with Paul Foley as President.

Hazen Codner as Secretary-Treasurer  
Buddy McLellan as Draw Master.

We would all like to thank Bill Lee for a wonderful evening.

Griesbach Young People's Association membership cards are now on sale. They are 75c until November 2nd, after which they will be \$1.00. We urge you to purchase these cards, as you obtain preferred rates at our dances. They may be bought from Vicki Pasch at any time.

The Griesbach Junior and Senior Rams are to be congratulated on a fine showing. The Juniors are doing very well as a first year team and the Seniors are doing exceptionally well as they are on top of their league with five wins and no losses. The teams would certainly appreciate more support from the citizens of Griesbach, as the stands are pretty empty. So come out and support your teams.

We would appreciate hearing from any parents who would be willing to chaperon at the dances held by the Griesbach Young People's Association. Please contact Lynne Eberts, at PMQ 745, Phone 474-3844.

Douglas Arril.

## Better Business Tips

A public service feature provided through the courtesy of the Better Business Bureau of Edmonton with a view to informing Griesbach residents of various Business practices of which they should be aware.

### HANK SNOW SHOW

Edmonton Gardens. L. B. Productions presentation. This should not be considered a charity appeal. This promoter does not have the authority of the University Hospital administration to use the hospital name in the sale of tickets, and it should therefore be considered as a commercial venture and straight sale of tickets.

### DAVID RATKE AND MONROE CAINE

Promoters of such articles as Turbo-Jet Converters, Pocket radios, Livigen face cream, Voltex battery additive, Minishine floor polisher, Roll-a-Shine car polisher, Green Plasma, Seven-Day Reducer, Ailanthus Tree, Powered Heat, and Favinol wrinkle-remover, have been found guilty of Postal fraud at Detroit in connection with advertising claims, such as "Run your car half on gas, half on air" — and are presently awaiting trial on similar charges.

### SELLING COIN CATALOGUES

Many advertisements are appearing which infer that a fortune is to be made by checking coins in your pocket. This may be simply intended to sell you a coin catalogue, since the coins which bring such fabulous prices are extremely rare, and not many of them are likely to be found in change purses or piggy banks.

### MICRO HOME PRODUCTS

Arrived in Edmonton in August 1961. Soliciting orders by telephone. The B.B.B. does not recommend any firm or product and the customer

must do his own comparative shopping.

### PLANNING YOUR CHILD'S EDUCATION

Young parents will be approached from time to time to make an investment which will guarantee funds for their children's future. Many of these plans require regular monthly payments, and parents should give careful consideration to such plans in order to select the one best suited to their needs and income. Most parents hope their children will qualify for University education, but statistics at the present time show that almost 90% of children entering elementary school never attain matriculation standing, and not all of those who do will go to University, — some may prefer technical or other training. Hence the parent must make the best possible investment to meet any exigency.

Let us give our whole-hearted support for their projects during the coming year.

Mrs. Taylor and her executive were given a vote of thanks for their very fine work in the past year.

We wish to remind our parishioners that the Religious Articles store is open every Sunday after both Masses. You are invited to drop in and view the many lovely gifts which might be most suitable for your Christmas list. It is advisable to order early so that our convenor will have time to obtain the stock.

So far the results of the clothing drive have been most gratifying. Anyone who still has clothing to donate is asked to deliver their boxes to the RC Chapel by October 31. We have been informed that toys are also most welcome as these are repaired and distributed for Christmas.

On behalf of the Marian Centre, the CWA wish to extend their appreciation to all those so generously supported our drive.

## Solemn Ceremony at Griesbach

A solemn ceremony took place recently at Griesbach Barracks in Edmonton when the flag of the 2nd Battalion, Princess Patricia's Canadian Light Infantry was blessed by Colonel J. P. Browne, Director of Protestant Chaplains for the Canadian Army. The flag

will hang in St. John's Protestant Chapel in Griesbach Barracks in dedication to the memory of the men of the unit who gave their lives for their country.

## St. John's Women's Auxilliary

"What do you think of this?" Oh, look at this one — "Do you think we should make more of these" —

This has been the general trend of conversation among the W.A. ladies for the past two months. We are now putting on the finishing touches, to be ready for the big day — November 4th, Bazaar Day.

Aprons, doll's clothes, mitts, toques, socks, babywear, stuffed toys, Xmas novelties and lots more along with Fish Pond, white elephant table, and of course Home Baking will all be ready for you to do your Xmas Shopping. There will be something for everybody from Baby to Daddy. Tea Tickets may be purchased from any member of the W. A. for 25 cent or you may pay at the Tea Table. There will be Dogs and Pop for the children. We hope you will be able to come out and join us.

I'm sure you will agree that the Chapel looked lovely on Thanksgiving Sunday. We'd like to thank everyone who donated fruit and vegetables, and to the ladies and gentlemen who came out to decorate the church; not forgetting the ladies who came back to clean up after the serv-

ice. The many fruits and vegetables were taken to the Ex-Servicemen's Children's Home.

We will be getting back to our regular Business meeting on November 14 at 8 p.m. in the Chapel Conference Room. We will be happy to welcome any new lady who wishes to join us at this time. If you wish to be picked up to attend the meetings, please phone GR7-5388.

Don't forget, November 4, Bazaar and Tea 1:30 P.M.

## Church Council News

### CONGREGATION VISITATIONS

During the months of November and December, all Protestant families in the Griesbach Area will be visited by teams of members of the Chapel Council.

The purpose of these visits is to encourage regular attendance at Divine Services, to discuss the future work and projects of the Chapel Council, and to welcome all new families resident in the Area, to acquaint them with the various branches of the Church's work.

One project in particular is the supplying of stained glass windows for the Chapel. This is a big undertaking as 17 windows would be needed at a cost of approximately \$900.00 per window. This project will give all families the chance to actively participate in the work of beautifying the Chapel.

It is hoped that these visitations will be received in the true Christmas spirit and that the work of God in this Garrison may go forward in full Christian fellowship.

## Western Command Fish & Game Club

A very successful meeting was held on Wednesday 11. Oct. 61. It was decided that the Club should render a strong protest to the Provincial Government reference the proposed introduction of a plan to lease hunting and fishing rights through private ownership.

Suitable club crests are being obtained for wear by individuals. A competition will be started in the near future to determine the club's biggest "liar." The fishing "liar" will retain the trophy during the summer months and the winter holder will be the hunter who can tell the tallest tale.

The following additional officers were elected - Maj. HD Robertson as Vice President, Capt. GR Ingram to Trapshooting Committee, Ssgt HF Garnett to Fishing Committee and Pte WL Tibbett to Hunting Committee.

Mr. Bill McNeil of Carling's Conservation Club, showed excellent movies of duck hunting in eastern Canada and also life of the Small-mouth Black Bass. At the conclusion of the meeting Capt. Bob Ward of 13 Coy RCASC did a first class job in the kitchen department.

## Riding Club Marks Anniversary

On November 5th, 1962, the Griesbach Riding Club will celebrate its first Anniversary.

In that time we have acquired sixteen horses, fourteen saddles, a good set of jumps, a great deal of fencing and a club house under completion.

I think this is quite an accomplishment for our first year. I know our original members are just as happy as I am to see our club progress from its four original horses to its present status.

We know there is a great deal more work to do and money to be spent before everything is finished, but I am sure you will all agree with me that our children have had a wonderful summer out at the riding club.

I want to take a moment to say how wonderful Mrs. Brewer has been with our children. Her patience has never been exhausted no matter how trying things have been at times. She has mended their blue jeans, sewed on their

buttons, listened to their troubles and made first rate breakfasts on our trail rides. Her doughnuts and cakes are a wonderful source of energy too. Thank you, Mrs. Brewer. We have all appreciated your efforts.

A word of thanks to Mr. Brewer as well for being our chauffeur on hay and sleigh rides. For all that wood fencing and stalls he has put in. For finding us some wonderful horses to ride and for keeping on the club when sometimes he must have wondered how it was all going to be paid for.

Our thanks go out to all those who have volunteered time, effort and encouragement in this undertaking. It is so easy to criticize, but how much nicer to encourage with a smile.

To all new families we welcome this opportunity to say "Hello." Come out and enjoy the fresh air, winter and summer, at the Griesbach Riding Club.

Membership rates — one \$5.00 per month; two \$9.00 per month; family \$12.00 per month. Lessons free to members.

Hourly rates \$1.00 per hour.

Lessons \$2.00 per hour including horse Saturday afternoons we have jumping lessons for members. Members are also eligible for breakfast, hay and sleigh rides and all other club activities, with a nominal charge of 50c for the food we consume.

Any more information can be obtained by phoning Mrs. Brewer SW 9-5696 or Mrs. Salter at GR 7-5622.

I am sure the year ahead is going to be even more fun than the year we have left behind.

## Griesbach Garrison Golf Association

Three films were made available through the efforts of Sgts. Oaks and Gelinas. Programming of films will be at a different time at future functions.

# Rams Forsee Championship Seasons Revue

The Griesbach Senior Rams Football club has, thus far in the season, registered five straight wins and gained sole possession of first place in the North-Central Alberta Football League, composed of eight teams. They have scored 151 points VS 69. The coaches are Dale Burgess and Cpl. Grainger, assisted by Dennis Burgess. The team manager is Sgt Aucoin while Sgt Patterson acts as first aid man. Jim Salmond is the top scorer so far with 32 points followed closely by Fred Dunn with 30. Bob Patterson has picked up 20 points. As well as we can tell, Salmond and Dunn are third and fourth in the league scoring race.

## Opener

The first game took place Sept. 23 when the Rams put down last year's champs, Jasper Place High School Rebels 33-20. Buddy MacLellan starred offensively while Jim Schellenburg stood out defensively. Fred Dunn, quarterback, completed 9 of 12 passes. Dunn scored 8 points, Patterson, MacLellan, G. Armstrong and Hamilton each got one touchdown while Salmond scored a single.

## Cliff-Hanger

The day the monsters came to town was Sep. 30 as the Rams hosted St. Anthony's College at its first home game. Griesbach was greatly outweighed by an entire line of over 200 lbs and four players over 210 but the team scampered their way to a heart-warming 20-19 victory in which Dunn's punting was a major asset. Our thanks to Maj Werth and crew for their gound work, Maj. Hennie for announcing at the game and Mr. Geordi Palmer for assisting the Head Referee.

**Rams Butt Concordia**

An under the lights game at Coronation Park Oct. 4th saw Griesbach wrack up the fantastic score of 51-18 then throw its second string into the game.

## Exhibition

Griesbach finally knocked over their arch-rivals — Namao Air Base - 27-0 and did it without the aid of six first string players. Dennis Burgess got 12 points, Dale Burgess 8 and Bob Patterson 6.

**Sole Possession**

While the Rams knocked off Barrhead 20-12, St. John's College lost 33-20 to J.P. giving Griesbach sole possession of first place. Bob Patterson was the only noticeable standout in he game. Dunn completed 5 of 9 passes, two for TDs while Griesbach earned 11 first downs against 10 for Barrhead. Our thanks to those who drove the team to Barrhead.

All games are played at 2:30 p.m., Sat. Rams were host to third

place Westlock Oct. 21 then are home to second place St. John's College on the 28th. Nov. 4 sees Griesbach at Alberta College. The game will be played at Kins-

## JUNIORS RAMS

The Junior Rams are entered in the Jackie Parker division of the league.. They play each Sunday at Coronation Park and to date have come up with only one win in five starts. But they are coming in strong. Capt. Lawford, Sgt Patterson and Mr. Gordy Palmer are busily engaged as coaches.

Sep. 17 and 24 are bad memories as the team was beaten 32-0 and 50-0 but on Oct. 1 Jim Patterson and Tom Smith led them to an existing 27-25 victory over Killips Colts.

On Oct. 8 the juniors were edged out 32-25 and again Smith was top point getter with two touchdowns.

The gang threw a real BIG scare into tht league leading Premier Steel put finally bowed 31-27. It they continue that type of playing they will win from now on.

At this point we wonder why we haven't seen more fans, especially parents, at the game. Maybe the juniors might be up at the top if more interest was shown in them. As it is they are playing good football and deserve more than the 40-50 odd fans who turn up. The Seniors, too, are lacking in this respect although their fans came in the low hundreds. But even this is far less than last year when the 300 seats plus sidelines were packed. So let's get out there and root for your team.

## ON THE BROOM

This monthly column will be a report of activities of the Griesbach Ladies' Curling Club. "On The Broom," rather than "Off The Broom," describes the feeling of optimism and of enthusiasm among the members this year. Last year, we had to beg people to curl, and there were times when it looked as though the club would never get on the ice. But the members of that first executive put forth effort beyond normal, and the fine results are now history.

The second season of the GLCC got under way on Oct. 24. The newly-elected president, Vera Henderson, conducted a business meeting during which Eileen Mills, secretary, took the minutes and Janet Dales, treasurer, took the money. Later, under the direction of Phyl Charles, vice president, members enjoyed four ends of curling. It amazing how quickly we re-discovered muscles stored last spring with our brooms.

Jane Johnston and her social staff served refreshments — just in time!

Beginning Oct. 31, scores will be turned in and points given for wins and ties. Only two prizes are up for grabs this year — the trophy to the rink with the highest point score, and an award to the rink in the runner-up — so let's go to the rink to learn, to curl, and to laugh a bit. Your executive has a few surprises in store. For the next five months, it's brooms for the gals — and beans for the boys.

# Town Talk

One of the main social events this month will be the St. John's W.A. annual bazaar and tea on Saturday, November 4th, at No. 1 School.

This is a wonderful opportunity to do your Christmas shopping and meet your friends oves a cup of tea.

Beautiful hand made gifts at reasonable prices — what more could you ask? A large variety of pretty and useful aprons will sell from 50c to \$1.25. Knitted articles from 50c up. Dressed baby dolls and teenage dolls to delight every little girl's heart, are only 75c to \$1.50. Doll furniture and cuddly stuffed toys for the badies.

Other features will be home baking, a white elephant table, plasts from 10c to 75c and a parcel post. For the children there will be a special shopping table with gifts for mom, dad and the whole family ranging in prices from 5c to 35c. Also a fish pond where the younger set can reel in a "whopper" for ten cents.

Root beer and hot dogs will be available.

Come on out, folks! Enjoy yourselves and support this worthy cause.

# Sergeants' Ladies' Club

Our monthly meeting was held on Tuesday, September 27th, and a very enjoyable time was had by all. A games night was held and with the kind permission of the men, we held a Shuffleboard Tournament. The winners were Mrs. Hicks and Mrs. Durant.

We are happy to see the ladies turning out for our meetings and hope to see a lot more come and enjoy the fun.

November meeting will be election of officers for the next six months. Every vote counts, so let's see a good turn-out for this.

Also we will need volunteers for the Children's Christmas Party. If you will help, please attend to let us know how many we can depend upon.

## A TENT IS A TENT, IS A TENT

BY JIMMY

(Camp Gagetown Gazette, August 10th, 1961).

The tall, slim man kneeled on the doorstep. His head was cocked to one side. He was listening to a gasoline stove that set in front of him. "It's leaking," he muttered.

A neighbour appeared from the direction of the parking lot. He stopped, stared, and said: "What are you fooling with that thing for? The Summer Concentration is all over."

The stove-fixer glanced up. "This isn't Army equipment. It's my own."

"I don't care if it's Mr. Coleman's original. The Concentration is over."

The stove suddenly hissed loudly. The tall man jumped back.

"See," said the short man, "even the stove's trying to discourage you."

"It needs a new washer. I better hurry to the Shopping Centre. I need the stove first thing in the morning."

The ittte man frowned. "In the morning? Are you some kind of nut?" He brightened. "Do they expect a power failure to-morrow?"

"If it's any of your business," snarled the man with the stove, "I'm going camping on my leave."

The little man's eyes narrowed. "Camping?" He reached out and put his hand on the other man's forehead. "No fever," he mumbled.

The tall man slapped at the hand. "What's wrong with me going camping?"

"It's your life," shrugged the short man.

"But how come you complain all summer about HAVING to live

in a tent?"

"I didn't complain any more than the rest of you."

"Agreed," smiled the short man. "However, that's a lot."

"It's different when you go camping on your own."

"A tent is a tent is a tent," said the neighbour.

"The new camping sites have all the conveniences of home," insisted the tall man.

"Not my home, I was brought up in a city."

"There's more to it than that," said the man with the stove. "Wonderful fresh air; the smell of bacon frying over an outdoor fire; the sounds of nature . . ."

"Stop!" cried the little man. "You're making me ill. Fresh air makes me nervous; I prefer my bacon untouched by bugs; and the sounds of nature terrify me." He looked thoughtful. "Just a minute, Big Buddy. You too are a city boy. What's the real story behind this back-to-nature bit?"

The tall man scuffed the ground with his foot. "My wife planned our vacation," he said softly.

The short man leaned over and whispered, "Maybe I can help you."

"How?"

"I have a beautifully illustrated book that I'll loan you."

The other man looked disappointed. "What am I going to do with a book?"

"Just leave it lying around the house." The neighbor leaned even closer. "It worked like a charm for me."

The man with the stove blinked. "What's the name of this magic book?"

The short man glanced around carefully before answering. "Dangerous CANADIAN Snakes," he whispered.

## Fifth World Parashuting Championships

The Fifth World Parachuting Championships took place at Moussecheve, Bulgaria, from August 7th to 14th. The Parachute Club of Canada, an affiliate of the RCAF, were able to send a team of Canadian parachutists. They were Daryl Henry, Glen Masterson, Michael Thouard and Alfred Coxall.

Three members of the Canadian team arrived three days early and thus enjoyed the sights of Sofia, and the hospitality of the National Aero Club of the People's Republic of Bulgaria. They were taken to Moussecheve on August 4th. On August 5th and 6th, all the teams and individual participants registered, practice jumped, and became acquainted with the other contestants. Early on the 7th, the opening day, spectators started o stream to the grounds at 6:30 a.m. Following the usual opening ceremonies the wind speed became excessive, as per the rules, for the contestants to jump, however this did not prevent the rugged Bulgarians from exhibiting their sport and military parachutists. Considerable interest was

THE EASY WAY TO DO ALL YOUR CHRISTMAS SHOPPING

Edmonton Provost Detachment

Excerpts from the R.C.M.P. Quarterly

Some years ago, members of a large B.C. detachment had occasion to check a country dance hall, and of course, during the process, a quantity of liquor was seized, being found there in contravention of the government liquor act.

The following morning, a letter addressed simply to the "Royal Canadian Mounted Police, attention Raiding Dept.", found its way into the Police Offices.

Not knowing exactly what to expect, members of the detachment were somewhat amused when they read the correspondence:

"To Whom it may Concern:  
"Enclosed please find two '222'

Fross tablets which were unused and not required by the writer this morning as a result of your successful endeavour at Pineview Hall last evening.

"I cannot find words to express my gratitude to you for removing my beer from my car as I woke up with a clear head this morning.

"In the the event that you were not so fortunate in feeling as well as I did this morning, please place these two tablets in one gallon of water and pass it around the R.C.M.P. staff.

Kindest regards,  
Yours sincerely,  
A Pineview Patron."

The following was overheard in a British Columbia beer parlour, where three Indians were discussing a charge under s. 94 (a) of the Indian Act, which one of the Indians was facing. The problem was how to get a sufficient sentence that would see the accused through most of the long winter months. One Indian standing not over five-foot six in his stocking feet and weighing not over 130 pounds soaking wet, suggested: "When you go into Court take a poke at that big policeman, and if they don't give you enough for that, take a swat at the old magistrate."
